PAVING THE WAY AT ST. LAWRENCE

Although the weather doesn't agree, we are a people of faith and hope, and we know that Spring is right around the corner! To celebrate, we are planning a new improvement project. The East parking lot is in rough shape and needs some renovation. The St. Lawrence Finance council and the Bishop's office have approved a construction project to blacktop the parking lot. This will be completed as soon as weather permits. The cost of this plan will be about \$27,000.

Just think, no more wiping the mud from your shoes as you enter the church. No more trying to walk around the puddles or uneven ground in any season. I hope that you will support this project with a donation to offset the expense.

Together, we will continue to preserve our historic church and grounds, as we pave the way for future generations of St. Lawrence families. May God bless you always.

Fr. George

*Congratulations to
Jim Paatalo
& Jacquie Love*

who were united in Holy Matrimony at St. Lawrence. May God bless their marriage with love and happiness for many years to come.

Stewardship as a Way of Life:

“As you go, make this proclamation:

‘The kingdom of heaven is at hand.’” Matthew 10:7

Many of us take our lives for granted. We think we have plenty of time to “repent”. Maybe we should live with a little more urgency in making things right with God. This is the difference in living our discipleship out of obligation versus out of love. Obligation implies we do the minimum required. Love implies we want a relationship. God wants us to be with Him in Heaven forever, but He also wants to be in relationship with us right now, while we are on earth. Start this second – invite the Lord into your heart.
